Progressus Advanced Projects January Release Now Available

Progressus Advanced Projects 9.8.0.6 release is available and includes a variety of enhancements to journals, resources, projects, and WIP.

Progressus Advanced Projects 9.8.0.6 release includes application enhancements to expand the robust functionality available to professional services and project-based businesses.

The January release contains enhancements most notably to Budget, Reports and Resource Planning.

Budget, Reports & Resource Planning

Cost and Prices for Expense and Items are now viewable on Project Ledger Entries

A new Hour Bank Detail Report has been added

Bug fixes most notably to Billing, Project, and Time

Budget Updates

- The Budget Hours field in the Budget Matrix Project Information Factbox on does not get updated when budget hours are entered:
    - Sold Amount, Resource Cost, Item Cost, Expense Cost, Gross Profit, and Gross Margin fields have been added to the Factbox. The quantity that displays in the Budget Hours Factbox is based on the following:
        - If hours are entered on the Project Card > Invoicing FastTab > Hour Budget then it will display those hours
        - f the Hour Budget field on the Project Card is 0, then the hours from budget entries for Resources and Resource Groups will be displayed

Reports Updates

- An Hour Bank Detail Report is needed:
    - A new Hour Bank Detail report has been added. The report will:
        - Include all projects for that Hour Bank
        - Include the beginning balance for the Hour Bank
        - Include subtotal usage by project
        - Include hours or amount values based on the Hour Bank Type
        - Include remaining balance for the Hour Bank

Additional Enhancements and Bug Fixes

This release also includes bug fixes to Budget and Contracts as well as bug fixes for Expense, Project, Purchasing, Reports, Subcontract, and System Wide.
